

## RETS Definitions

Currently, there are three possible applications for a broker to complete in order to set up a Data Feed to their third party website:

- **2-Way Third Party Processing Agreement:**
  - Agreement between the broker, their vendor, and HRIS (HAR's MLS) for all MLS listings
- **3-Way Third Party Processing Agreement: *\*Currently not available***
  - Agreement between the broker, their vendor, a sub-vendor, and HRIS (HAR's MLS) for all MLS listings
- **HAR Broker Data Access Authorization Agreement:**
  - Strictly for agent and office listings only

*Please note: These three (3) options are not included with the Platinum subscription.*
